

# Principles of Processing Personal Data

## General

We care about your right to privacy and want to guarantee that your personal data is well kept at Inbank. This information is meant to provide transparency with regard to how we treat your personal data. We process data in accordance with applicable law including the General Data Protection Regulation (Regulation (EU) 2016/679 of the European Parliament and of the Council).

## Why do we process your personal data?

We process your personal data for starting business negotiations, preparation and conclusion of cooperation agreements and resolving a request that you may have sent us.

## What personal data do we process?

When you contact us using the provided form, we collect your name, e-mail and phone number and any other information that you wish to disclose to us.

## With whom do we share your data?

Data that you have provided to us may be used by companies belonging to the Inbank Group. In order to achieve the purposes mentioned above, we use the help of these companies for processing your personal data: Dropbox Inc, Google LLC, Tableau Software LLC, Amazon Web Services.

We do not transmit your personal data outside the European Union unless the European Commission has decided that protection is adequate. If there is no such decision, We will only send your personal data outside the European Union if the protection of your rights in court is guaranteed to you and effective legal remedies are accessible in the respective country or territory.

## How long do we keep your data?

We retain the data you send us until the purpose of collecting it has been fulfilled, but not longer than 12 months as of the last contact with you. You can always request us to delete your personal data sooner. Upon such request please do bear in mind that we may not be able to resolve the matter for which you have provided your personal data to us.

What are you entitled to request from us with regard to your data?

- correction of incorrect or incomplete data
- know whether we process your data and obtain a copy of your data
- submit objections to processing your data
- request deletion of your data
- file complaints about your data processing to the Czech Office for Personal Data Protection
